

WAG Ring Rental Rules

1. All persons renting the ring must sign an Acknowledgement of Risk, and Waiver for Damages and/or Injury form prior to using the ring. (Forms on the Ring Rental Application.)
2. No person expelled from the property may rent the ring, or practice with someone else who is renting the ring.
3. Ring rental is to be used by one or more person(s) to practice agility with their dog(s).
4. Only a member, who is a qualified WAG instructor, may hold private lessons during ring rental time.
5. Persons using the ring for agility practice must have had at least 1 dog complete the Beginners class. The intent is to allow only those persons who have had specific instructions with each obstacle, be allowed to practice on their own.
6. Ring rental is reserved in advance in time slots of 1/2 hour.
7. Reservations should be made as far in advance as possible. A minimum of three (3) business days is requested to allow time for a ring watcher to be recruited.
8. Renters must be prompt in arriving and departing. Late arrivals will be charged for the entire rental time and must leave when the reservation expires.
9. Cancellations: Anyone not able to make their reserved time must cancel the reservation at least 24 hours in advance of the reserved time to avoid penalty. WAG has the right to charge the renter the entire rental fee, if timely cancellation is not received.
10. No-Shows: The ring watcher is obligated to wait 15 minutes for a late-arriving renter. After that time, the renter is considered a no-show. WAG has the right to charge the no-show renter the entire rental fee, which fee must be paid before the no-show renter reserves the ring again.
11. No-Show Watcher: If the assigned ring watcher fails to meet the renter to permit access to the building, the renter is entitled to a free rental some other time. If the watcher is late in arriving, the renter will either receive a discounted rental fee or, if the ring is available after the reserved time, the renter may continue to use the ring for a time equal to the watcher's tardiness.
12. The A-frame, dog walk and bridge may NOT be moved. The teeter may be moved by at least two people, and two people are required to change the height of the A-frame.
 - a. Moving the contact obstacles can be dangerous. The ring watcher should be consulted before attempting to move or adjust these obstacles.
13. Most agility equipment may be moved to suit the renter's need, taking care not to drag equipment across the mats. In consideration of the people renting in subsequent time slots, equipment removed from the course should be replaced.
14. Anyone abusing the equipment will be asked to leave the premises. Rental fees will not be refunded.
15. Any and all ring usage, whether paid or free, cleaning, seminars or meetings, must be reserved in advance by contacting ringrental@wagagility.com.
16. Unauthorized use of the building or equipment may result in Discipline and/or Expulsion.
