New Member Application Package

Dear Prospective Member,

Thank you for your interest in joining WAG.

Please read the enclosed materials carefully. It is important that you fully understand what being a WAG member entails – not only the many benefits of membership, but the associated responsibilities and requirements as well.

WAG is a working club. Our volunteer members perform ALL functions of the club. Each member is required to contribute a minimum number of volunteer hours on an annual basis. Before joining WAG, you must be willing and able to fulfill that commitment. Many of our members are able to work considerably more hours and that enthusiasm is always welcome.

As you know, WAG is a great agility club with a solid training program and terrific facilities. Our membership consists of devoted, hard working and fun loving agility enthusiasts. We hope you decide to join us!
