VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small; small dogs, small equipment, small trials and small number of handlers. We need all hands to make a trial work. Please sign up to volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly. WAG workers receive WAG Bucks for \$\$ off future WAG trials, AKC, CPE, TDAA or UKC.

If you are able to help, please fill out this form to indicate the job(s) you are willing to do and return it with your entry or contact the Trial Chair directly.

GAMES

Tag 10

The purpose of Tag 10 is to accumulate points in 10-point blocks and to accumulate as many of those 10-point sets as possible. Sixty seconds are allotted for play. Tag 10 is scored points, then time.

Time Warp

The objective of Time Warp is to run all of the obstacles in a numbered sequence as fast as possible without faults and to turn back the clock by performing one or more Time Warp distance challenges. Time Warp is scored time, plus faults, less bonus.

Lucky 13

The object of Lucky 13 is to collect as many points as possible while correctly performing a total of 13 obstacles – no more, no less – with the thirteenth obstacle being the tire. The course design is up to the handler Each obstacle is assigned a direction and value indicated by the cone next to it. Some obstacles may have two different point values indicated by the cones. Lucky 13 is scored points, less faults, then time.

Pinball Wizard

The goal of Pinball Wizard is to accumulate as many points as possible within course time. The start obstacle is the dogwalk (in either direction). After successfully completing the start obstacle, the team will continue to accumulate points by completing obstacles of the handler’s/dog’s choosing. Pinball Wizard is scored points, then time.

Gamblers

The objective of Gamblers is for the dog and handler team to accumulate as many points as possible in a specified time and then to perform a designated gamble (sometimes called a joker), also within a specified time, which consists of a sequence of obstacles with the dog and handler working some distance apart.

Run ‘Til You Drop

Run ‘Til You Drop challenges the handler to correctly estimate the dog’s working speed, accumulating as many points as possible within the allotted time. Scoring and time ends on the teeter as the last obstacle (the drop!) doubling the dog’s entire score only if time has not expired. Run ‘Til You Drop is scored points, then time.

JUDGE’S BRIEFING ON DAY OF TRIAL SUPERCEDES ANY PREVIOUS BRIEFINGS.

NOTICE TO EXHIBITORS

- * The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- * All dogs must be on leash or crated at all times except when in the ring or when in designated areas (warm-up area). It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, **no refund of any fees will be made.**
- * Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.
- * Exhibitors are responsible for being at the ring gate when it is their turn to run.
- * Exhibitors may wear shirts or insignia of their training group if they wish.
- * At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.
- * Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com
- * Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form.
- * **Photocopied entries without the TDAA agreement on the back are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.
- * The Trial Secretary will add a \$25.00 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- * Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- * No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- * Bitches in season are not permitted at the trial. The club will refund all but \$5.00 of the entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a veterinarian of such claim for refund by letter.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

2" jump height - restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less

4" jump height - restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less

8" jump height - restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

12" jump height – restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.

16" jump height – restricted to dogs measuring 20" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.

Veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

Handicapped Handlers: Disabled handlers will be allowed an additional 4 seconds in Standard and Games classes using numbered courses. A copy of a disabled parking permit must be sent with the entry.

There will be a potluck Lunch. We are asking everyone to bring a dish to pass. Contact Jan Sund or Patti Jo Yuswak if you have any questions as to what to bring.
