New Member Application Package

Dear Prospective Member,

Thank you for your interest in joining WAG.

Please read the enclosed materials carefully. It is important that you fully understand what being a WAG member entails – not only the many benefits of membership, but the associated responsibilities and requirements as well.

WAG is a working club. Our volunteer members perform ALL functions of the club. Each member is required to contribute a minimum number of volunteer hours on an annual basis. Before joining WAG, you must be willing and able to fulfill that commitment. Many of our members are able to work considerably more hours and that enthusiasm is always welcome.

As you know, WAG is a great agility and non-agility club with a solid training program and terrific facilities. Our membership consists of devoted, hard working and fun loving dog enthusiasts. We hope you decide to join us!

APPLICATION PROCESS STEP – BY – STEP Effective January 21, 2021

All applicants are required to complete a minimum 2-month up to a maximum 6-month Pre-Membership period during which time they must complete specific requirements. Once all requirements are met, the applicant may be voted in at least 2 months after submitting the application. All requirements **must** be met within 6 months or the application process starts over. Exception: worker hour completion is allowed after the 6-month deadline. If you do not complete your worker hours in the first 6 months, you must have completed them in 6 consecutive months.

HERE ARE THE STEPS YOU NEED TO FOLLOW:

1. **Submit a completed Membership Application, along with the \$20 non-refundable application fee,** to the Membership Chair either in person, mail, or to the Chair's mailbox (*in which case you should call or e-mail the Chair and notify him/her of your submission*).
 - ▶ **ATTACH the completed Introduction/Questionnaire form to your application** which tells us about you, your dogs and dog activities and why you would like to become a member of WAG. This printed Introduction/Questionnaire will be filed with your application. **Include a picture of yourself with the introduction.**
 - ▶ **IN ADDITION, you need to e-mail a copy of your Introduction/Questionnaire Form and picture** to the Membership Chair. Do not delay; this will be shared with the WAG membership via e-mail as soon as your membership application is delivered.
 - ▶ **Your Pre-Membership period will NOT start until you submit all three parts:**
 - (1) Membership Application, (2) printed copy of your Introduction/Questionnaire with picture, and (3) e-mailed Introduction/Questionnaire and picture. This is our only way to give the entire membership a chance to find out who you are so they can get to know you.

Exception: For Level 1, completion of Level 1A PLUS registration and payment of Level 1B is required.
2. **Upon receipt of the application, the Membership Chair will send out a request for endorsements.**
 - ▶ Prior to starting any pre-membership requirements, the Membership Chair must receive 2 endorsements from the WAG membership.
 - ▶ Once the endorsements are received, the Membership Chair will notify you and you may begin your membership process.
 - ▶ If two endorsements are not received, the process will not begin until a later date. It will be recommended that you take classes or work at WAG events in order to get to know some of the members.
3. **During the next 2 to 6 months, complete all Pre-Membership requirements**

See attached Pre-Membership Requirements Form for details. Among these requirements are:

 - ▶ Attend a WAG General Membership Meeting – highly recommended. If not possible, notify the Membership Chair.
