BRIEFING:

*In the opening: Everything is bi-/multi- directional For combos #5 and #7, order and direction do not matter; just get one of each obstacle.

*You may do a color multiple times, but reds may only be used once

* In the closing: Everything must be taken as labeled

* Finish jump becomes live when you have completed your opening, after the horn, when you direct your dog to it or when you hear me say Thank you. Finish jump is bi-directional and there is no fault for knocking the bar.
