Jackpot Levels 1235C

Non-Traditional Jackpot Briefing:

The start line is not bi-directional. Race to accumulate points in the opening and closing for your level/category. All obstacles can be taken twice for points, including the combo jump, which must be taken in flow. At any time during the opening or closing, you may attempt ONE of the following gambles:

- 1-2-3 across the line for 15 points
- 1-2-3 behind the line for 20 points
- 1-2-3-4 behind the line for 25 points.

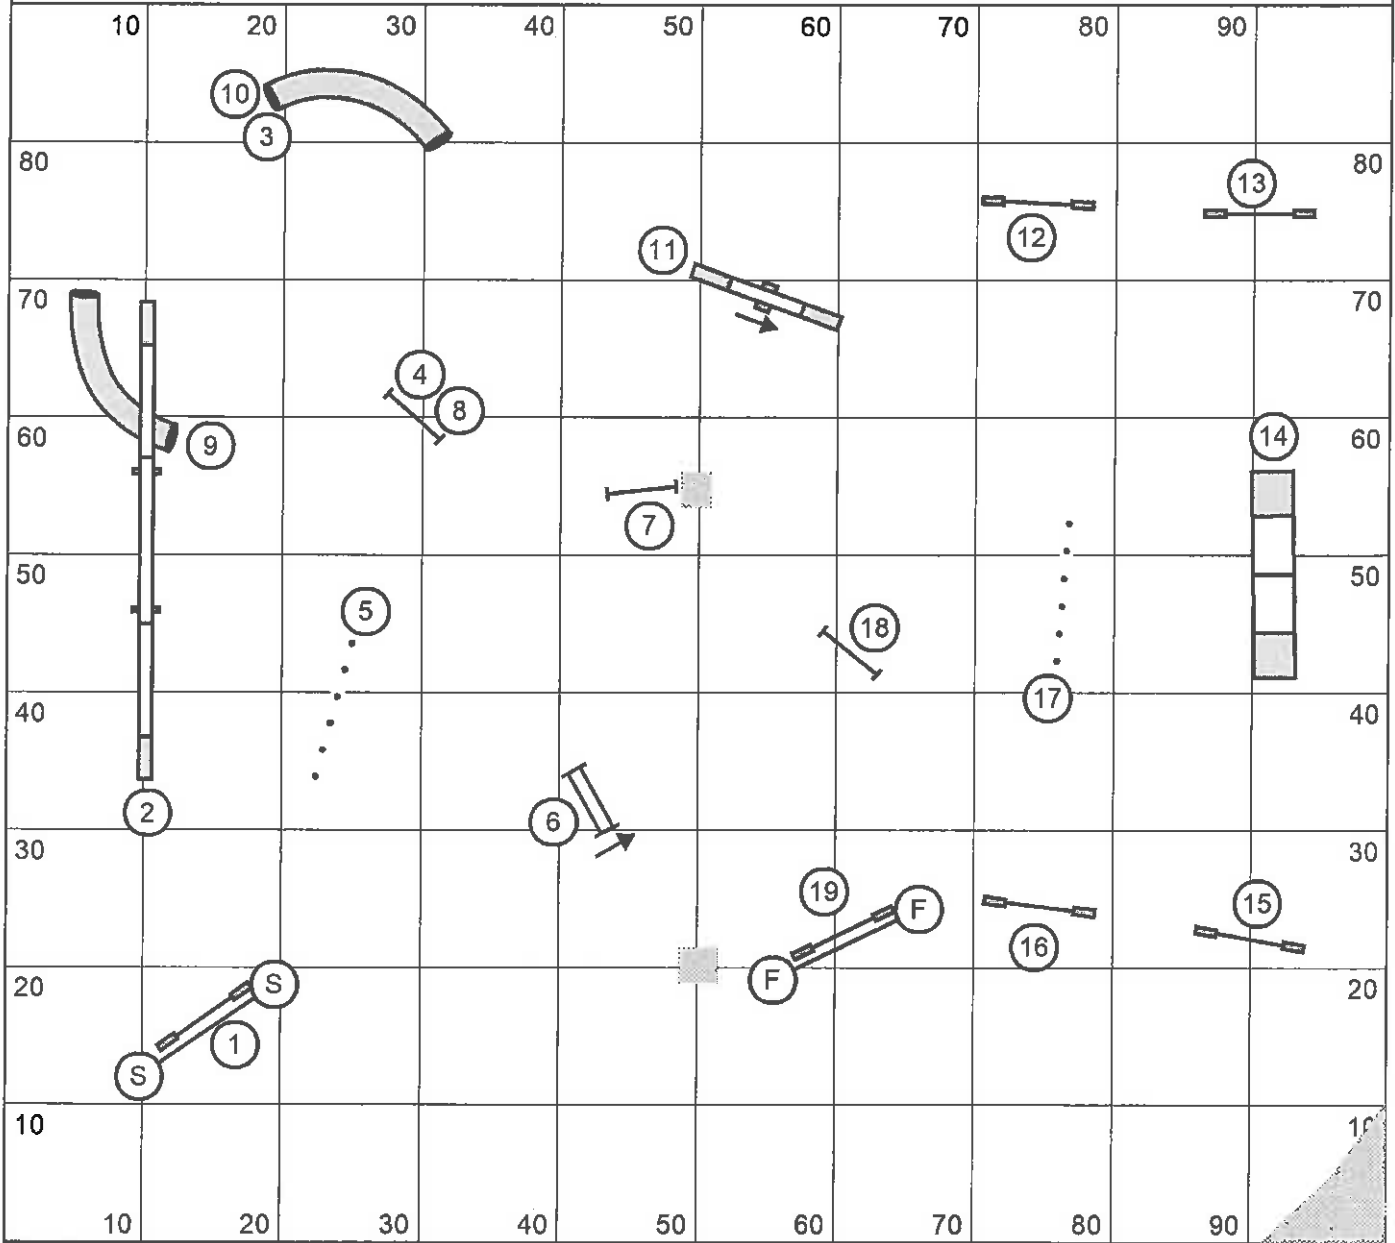

You have started the gamble if you take #1 in the correct direction. The finish jump becomes live at the first horn/start of the closing. There is no fault for knocking a bar or taking it from the wrong direction. You must take the finish jump to receive a score. The second horn is 6 seconds over time, which means if you hear it, you have NQ'd on time. Good luck and have FUN!!!

- Small dog time 35 seconds in opening, 22 seconds in closing
- Big dog time 30 seconds in opening, 20 seconds in closing
- 16* Veterans jumping 12" get big dog time

Points to Qualify
