WI-IL Agility Club of Spring Grove, IL
AKC Agility Trial
November 13 - 15, 2026

Please carefully review your entry confirmation information and contact the trial secretary with any corrections by e-mail at AKCSecretary@wagagility.com. Receipt of e-mails will be confirmed; if you don't get a reply to an e-mail, then I did not receive it.

If you noted on your entry that your dog needs to be measured, your dog must be measured before you run. **There WILL be VMOs in attendance on the weekend.** If you do not have an official measurement, you must be measured at least once before your first run for the weekend. If you run and are not measured, AKC will remove any legs you earn. Please allow ample time to be measured.

Site Rules: Clean up after your dog, both at the site and at the hotels. Dogs are not permitted off leash outside the building. Please use the designated exercise area ONLY. Violators will be excused from the trial without refund.

Parking: There is parking around the sides and in back of the building. Please do not park in any spot that is reserved for key trial workers or for our neighbors next door.

Crating: Crating areas will be marked. Crate in designated areas only. Please bring a mat or blanket to place under your crate to protect the floor.

The site will NOT be available for set up Thursday.

Food: Fast food is available nearby.

Workers: A worker schedule will be posted on the club website (wagagility.com). Check in with the ring captain well ahead of your worker assignment; this will make it easier for us to know of any gaps and fill them in time to keep an efficient trial.

We will be using Agility Gate for check in. No printed Gate Sheets will be used. **The code for the trial will be 60081** (the zip code for the site). Gate sheets will be loaded by Thursday before the trial. For more information and links to download the app, visit the website and watch the video relating to this app:
